

Zoom Access Link: AccessArt and International Schools

AccessArt and International Schools.

Tuesday 6th May, 1.00pm-2.00pm GMT.

Free for [AccessArt Members](#) and Non-Members.

The AccessArt community is far-reaching, and we are thrilled to see a growing number of international schools using our resources to build and sustain an exciting art curriculum.

If you work in an international school or live outside the UK, join us at this online event to explore what AccessArt can offer the communities you represent. We'll be joined by an international school currently using AccessArt to share how they have adapted our resources to enrich their curriculum. We also hope the event will be an opportunity for you to make contact with other art educators in different countries and share experiences and inspiration.

This session is suitable for those working in all educational settings overseas, but particularly for those working in schools and as home educators.

This event is free and open to all (you do not have to be an AccessArt member).

The session will be recorded and available a few days after the event.
