<< Explore more AccessArt Galleries

AccessArt is celebrating the success and hard work of teachers and pupils using the AccessArt Primary Art Curriculum!

Over the last year we have really enjoyed seeing outcomes inspired by the Curriculum from Primary schools across the UK and beyond...

In this gallery you will find images of work made by pupils inspired by the Working in Three Dimensions (Design) pathways, from ages 5-11.

You can explore the Working in Three Dimensions (Design) pathways here: Playful Making, Be an Architect, Stick Transformation Project, Making Animated Drawings, Set Design, Architecture: Dream Big or Small?, Brave Colour, Take a Seat.
