[<< Explore The Main Curriculum Gallery](#)

In 2022, AccessArt launched a new [Primary Art Curriculum](#), with the aim of helping teachers deliver an exciting and rich visual arts education.

We have been collecting images of work from teachers, made by pupils, inspired by our curriculum. To celebrate the amazing achievements of pupils and teachers, we've curated online gallery spaces. The galleries found below are organised according to different focuses found within the curriculum.

We hope you enjoy seeing what other pupils and teachers have achieved. If you'd like to find out how schools have been getting on with the AccessArt Primary Art Curriculum you can find [a survey report here](#).

Thank you to everyone who has shared their images with us. Find out how to [get your images featured](#) in an AccessArt gallery.
