

# Adapting AccessArt: From 2D to 3D

By Yu-Ching Chiu

In this resource, artist and artist educator Yu-Ching Chiu shares her adaptation of the Manipulating Paper: Turning 2D into 3D resource. This session aims to give pupils the opportunity to gain experience in executing 3D design on paper using the Design through Making approach. Yu-Ching works across pre-university Foundation level, however, her adaptations could be translated across a variety of ages.
