

Online Learning during Covid-19

AccessArt are pleased to offer these free-to-access participatory projects to those at home during the Covid-19 outbreak. We hope they provide a focus for creative exploration and respite time for calm wellbeing for all ages.

The Drawing Challenge 2020

[A Warm-up Exercise & A Drawing Project](#)

Learn to make more confident drawings and develop your drawings into artist's books! Download the pdf via the form on this page. Suitable for all ages.

The Drawing Challenge 2017

3 Drawing Warm-ups and 2 Drawing Projects

AccessArt is running an international Drawing Challenge with the aim of helping support individuals to develop drawing skills through a series of inspirational exercises and drawing projects, suitable for use at home.

The Nonna Maria Drawing Challenge

Draw your Grandma or Grandpa or Any Relative you Love

Meet Nonna Maria, a very special granny brought to life by Luca Damiani in his video “Maria and all the Grannies of the World – A story of kindness during the 2020 Coronavirus crisis” and join us in the Maria Drawing challenge! Draw your grandma or grandpa or any relative that you love and share it with them (and us!).

Sketchbook!

[Free online sketchbooks course for all ages](#)

A four part sketchbooks course which can be used over a period of time. Introduces what sketchbooks can be used for, nurtures ownership of sketchbook with a making activity, and kick starts the sketchbook habit via two exercises. Perfect for all ages.

What's Your Space?

[Interior Design Challenge](#)

What's Your Space? encourages children and young teenagers to think about design and making. Created in partnership with the David Parr House in Cambridge and with the teenage #BeACreativeProducer team.

3,2,1, Photography Challenge

Be Inspired by AccessArt Young Artist Chloe Fox

Suitable for older children, teenagers and adults.

Resources and Advice for Parents

During Covid-19 Lockdown

AccessArt has many resources suitable for children, teenagers and parents to use at home during self-isolation. See how we can help.
