

# Artist Studio Series: Emma Sandham King

By [Scarlett Rebecca](#).

[In this Artist Studio series](#) I will be talking to a range of artists about how they work, visiting their studios; finding out about the peculiarities of their studios, how they use them and what the studios mean to them. I will be visiting an artist with a tiny space in their garage, artists in shared studios with other people and shared facilities, and I will also be sharing an insight into my own home studio space.
