

# Arts and Minds: Asemic Writing and Invented Text

By Sheila Ceccarelli (*artist*) and Yael Pilowsky Bankirer (*Psychotherapist*)

This was the third session working with students at **Cambourne Village College** as part of the 'Young People's Pilot', coordinated and managed **Arts and Minds**, a leading arts and mental health charity in Cambridgeshire.

**Back to "Heart-Work" Arts and Wellbeing Project**

Following on from week two **A 'Heart-Work' Conversation**, students were given the opportunity to further explore expressive mark making as a tool for self-expression and a vehicle for communication.

Whereas in the previous session students had made marks in response to each other's work in the form of a 'visual conversation', in this session students worked alone.
