

# Buy Recordings of Past Zoom Events

[<< Explore All AccessArt CPD <<](#)

Here you will find all recordings available for purchase.

These recordings are aimed at Art Leads looking to introduce staff to different creative disciplines.

Please note: The purchase price enables you to stream (not download) the recording 5 times. If you would like to watch the recording more than 5 times, you can press a reset button to access more views.

Explore all future events [here](#). We also have [free to access recordings](#) of past CPD sessions for members.

## **Exploring Drawing for Primary Schools**

**This session introduces Drawing to Primary School teachers. Aims & Objectives:**

- Enable you to feel more informed about what “drawing” is, and how you can enable ALL pupils to feel a sense of achievement & progression from years 1 to 6.**
- Open minds as to what “Drawing” is, and its purpose.**

- Share our Pedagogy and how it can be applied in your school.
- Share some examples & resources.
- Give you the opportunity to try a few drawing exercises.
- Provide you with starting points so that you can try out ideas with your class/teachers.

## Exploring Making for Primary Schools

This session introduces Sculpture to primary school teachers. The session covers:

- An introduction to the different types of Sculpture.

## **An introduction to the “Design Through Making” approach.**

- **Suggestions for appropriate resources on AccessArt for Years 1 to 6 to help explore making.**
- **Thoughts about progression and assessment in relation to making.**
- **A short practical activity you can do with children in the classroom.**

### **Exploring Painting for Primary Schools**

**This session introduces Painting to Primary School teachers.**

#### **Aims & Objectives:**

- **Enable you to feel more informed about the**

different types of paint ( specific mention of water colour and acrylic) and how they can be combined and layered.

- Open minds to the value of exploratory painting and discovery of different surfaces.

- Highlight the different ways in which we can paint, from technical painting through to

painting to express emotion.

- Share our Pedagogy and how it can be applied in your school.
- Share some examples & resources.
- Give you the opportunity to try a few painting exercises.

Provide you with starting points so that you can try out ideas with your class/teachers.
