

Wax Resist Autumn Leaves by Rosie James

By [Rosie James](#)

Led by artist educator, Rosie James, pupils from [Dent C of E Primary School](#), in the Yorkshire Dales, explored observational drawing techniques followed by an immersive exploration of colour and scale using wax crayons and Brusho Crystal Colours.

In this resource, Rosie demonstrates how, in a one and a half hour session, 7-11 year old children achieved beautiful results with [Wax Resist](#) techniques, inspired by the rich colours and shapes of autumn leaves.

Making a Pocket Gallery

This post shares an idea devised by Anne-Louise Quinton in which she enables children and teenagers to revisit the “ordinary” and resee it’s potential. The activity is a great way not only to inspire children as artists and curators, but also to introduce them to a whole range of concepts and vocabulary. It would be a great activity to use in a museum and gallery education context, as well as the classroom.
