Red to Green: Making Sculpture

I wanted students to be pushed to explore how to make a free standing sculpture encompassing modern sculptural principles of form, shape and balance, yet with an accessible and tangible approach to working.

Red to Green: Steps to Observational Drawing

Foundations for students to be able to approach observational drawing without feeling inhibited or paralyzed and reinstate their confidence in their ability and right to draw.

Red to Green: Monoprinting

Monoprinting is an excellent way to access mark making and drawing but with a bit of 'distance' from the finished work. Results are always unexpected and the process itself very engaging, so any potential anxiety about what a finished drawing 'should' look like is taken away.
