

Adapting AccessArt: From 2D to 3D

[By Yu-Ching Chiu](#)

In this resource, artist and artist educator Yu-Ching Chiu shares her adaptation of the [Manipulating Paper: Turning 2D into 3D](#) resource. This session aims to give pupils the opportunity to gain experience in executing 3D design on paper using the [Design through Making](#) approach. Yu-Ching works across pre-university Foundation level, however, her adaptations could be translated across a variety of ages.
