

# Adapting AccessArt: Pattern and Colour

[By Yu-Ching Chiu](#)

In this resource, artist and artist educator Yu-Ching Chiu shares her adaptation of the [Collecting Colour](#) resource from the [Exciting Colour](#) series, to give her pupils the opportunity to learn about colour, composition and explore the screenprinting technique. Yu-Ching works across pre-university Foundation level, however, her adaptations could be translated across a variety of ages.

[Join AccessArt](#) to access the full resource.
