

# **Collaging with Wax Crayon Rubbings**

In this activity children will explore a range of different textures found in nature and around the building through wax crayon rubbings. This resource is aimed at EYFS and SEND, helping them to explore the world around them in new and exciting ways. Pupils will go onto create a collage from their rubbings, promoting skills such as mark-making and dexterity, as well as nurturing their curiosity about textures and surfaces in the world.
