

Designing Wallpaper!

By Paula Briggs

For the past few weeks in the **AccessArt Art Club for Children aged 7,8, and 9** we have been drawing fossils, which produced some wonderful images. You might enjoy seeing **Thoughtful Mark Making**, **Monoprinting with Carbon Paper**, and **Dressing up as Fossils**. This week the children used photocopies of their own drawings as inspiration to have a go at designing wallpaper! They created individual designs based on the theme of 'fossil' or 'rock'.
