

Drawing Source Material: Orchestras and Instruments

A collection of imagery and sources which you can use to prompt drawing in schools and community groups.

Please note that this page contains links to external websites and has videos from external websites embedded. At the time of creating, AccessArt checked all links to ensure content is appropriate for teachers to access. However external websites and videos are updated and that is beyond our control.

Please let us know if you find a 404 link, or if you feel content is no longer appropriate.

We strongly recommend as part of good teaching practice that teachers watch all videos and visit all websites before sharing with a class. On occasion there may be elements of a video you would prefer not to show to your class and it is the teacher's responsibility to ensure content is appropriate. Many thanks.

Orchestras and Instruments

Use the film below to enable children to explore orchestras and instruments. Try to create a sense of momentum – for example you might pause the

video 4 times and ask the pupils to make a 1 minute, 2 minute, 3 minute and 4 minute drawing at each pause.

Encourage close and slow looking by talking as they draw – use your voice to attract their attention to different qualities.

Try the same exercise using different materials, ie handwriting pen, ink and nib, pastel, watercolour...

How might you invent your own instrument? What instruments might you combine? Is it self playing?
