

AccessArt Enquiry-Based Learning for Teenagers: Main Menu

In 2021 AccessArt launched the AccessArt Primary Art Curriculum, aimed at promoting journeyful teaching and learning in the visual arts in the Primary phase (ages 4 to 11). AccessArt Enquiry-Based Learning for Teenagers aims to enable educators to develop a similar, extended approach for teenagers aged 11-14.

AccessArt Enquiry-Based Learning aims to provide educators with a holistic, relevant and forward-thinking approach to visual arts education in formal education, preparing pupils for GCSEs and beyond.
