What We Like About This

“These are such beautiful and evocative images – certain to inspire. There is a lot of potential for schools to explore Gabby’s work as a way to inspire pupils to create their own imagery inspired by literature, or inspired by imaginative writing by pupils.

Although etching might not be particularly accessible to many schools, there are low tech ways of approaching the process (see below) which mean pupils can explore similar ways of working in the classroom.” *Paula, AccessArt*
