

Introducing Drawing from Life – Teenagers Drawing Mini-Actions

By Sheila Ceccarelli

This resource shows how teenagers at the Experimental Drawing Class approached drawing from life for the first time.

To see this workshop with younger children see **Drawing from Life (and acting up a bit!)**

Teenagers worked in small groups, or pairs, and took it in turns drawing each other. To take away any inhibitions and to make the session fun, we introduced a random selection of props; a mobile phone, I-touch, a book and a box of raisins to nibble on.
