#### DrawAble: Let Me Inspire You!

Be inspired by the artists who have made short films about their practice as part of the <a href="DrawAble">DrawAble</a> project.

These videos can be used to introduce artists and ideas to children before moving on to activities shared in the <u>Building Your Story</u> and <u>Envisioning Stories</u> sections. All DrawAble resources have been created for use at home or school during lockdown or as part of a blended learning offering.

\*If you are having issues viewing videos it may be due to your schools firewall or your cookie selection. Please check with your IT department.\*
