

# Modelling the Head in Clay

## Part 2 – Preparations

[By Melissa Pierce Murray](#)

This post looks at two preparations for making a clay head: drawing to help us learn to see the form in the round, and taking measurements from life.

This one of [a series of resources](#) showing work done by teenagers in the weekly class over the course of a term in which they modelled the head in clay.

See all resources in this series here: [Modelling the Head in Clay](#)
