Over-Consumption for Ages 11 to 16

AccessArt is creating a series of Enquiry-Based
Creative Learning Pathways
aimed
for use with teenagers. On this page you will find pathways, artists and activities on AccessArt supporting the exploration of the theme Over-Consumption, in your educational setting.

These pathways can be used to form the basis of sessions for ages 11 to 16 in formal education settings (including Year 7-11 (England, Wales), S1-S4 (Scotland), Year 8-11 (Northern Ireland), home-education and in community settings such as museum, gallery or artist-led education.

These pages are in development so please be allowing for errors and changes as we build this area of our site.
