

Photography for Ages 11 to 16

AccessArt is creating a series of Enquiry-Based Creative Learning Pathways aimed for use with teenagers. On this page you will find pathways, artists and activities on AccessArt supporting the development of Photography in your educational setting.

These pathways can be used to form the basis of sessions for ages 11 to 16 in formal education settings (including Year 7-11 (England, Wales), S1-S4 (Scotland), Year 8-11 (Northern Ireland), home-education and in community settings such as museum, gallery or artist-led education.

These pages are in development so please be allowing for errors and changes as we build this area of our site.
