Find out all you need to know about the
AccessArt Primary Art Curriculum to help
you decide if we are the right art scheme
for your school...

AccessArt launched our new Primary Art Curriculum
in September 2022.

*"We wanted to create an art curriculum which
would help primary schools deliver a really
exciting, rich and forward thinking visual arts
education, whilst at the same time giving non-
specialist and often inexperienced teachers the
support they need to feel confident and happy
teaching art."*

We hope you enjoy exploring. Thank you to
the Team for months of hard work and to the many
experts who gave advice during its formation.

Best wishes, Paula Briggs, Creative Director,
AccessArt

What is Special about the AccessArt Primary Art Curriculum?

The AccessArt Primary Art Curriculum is designed around the idea that art is far more than a series of technical skills. Our holistic curriculum nurtures creative thinking skills and helps ensure your pupils learn *through* art, as well as *about* art.

Broad, Rich, Contemporary & Diverse

It's our aim that by the time every child leaves primary school they can feel as if they have found an area of the visual arts that is relevant and engaging to them – that might be through drawing, or making, or designing, or talking about art.

Redefines how we might best teach art in schools

We've thought carefully about the purpose of art. Not just in relation to the purpose of teaching art in school but the relevance of art in all our lives. AccessArt promotes open-ended creative learning where the emphasis is on the journey.

Flexibility, Adaptability & Growth

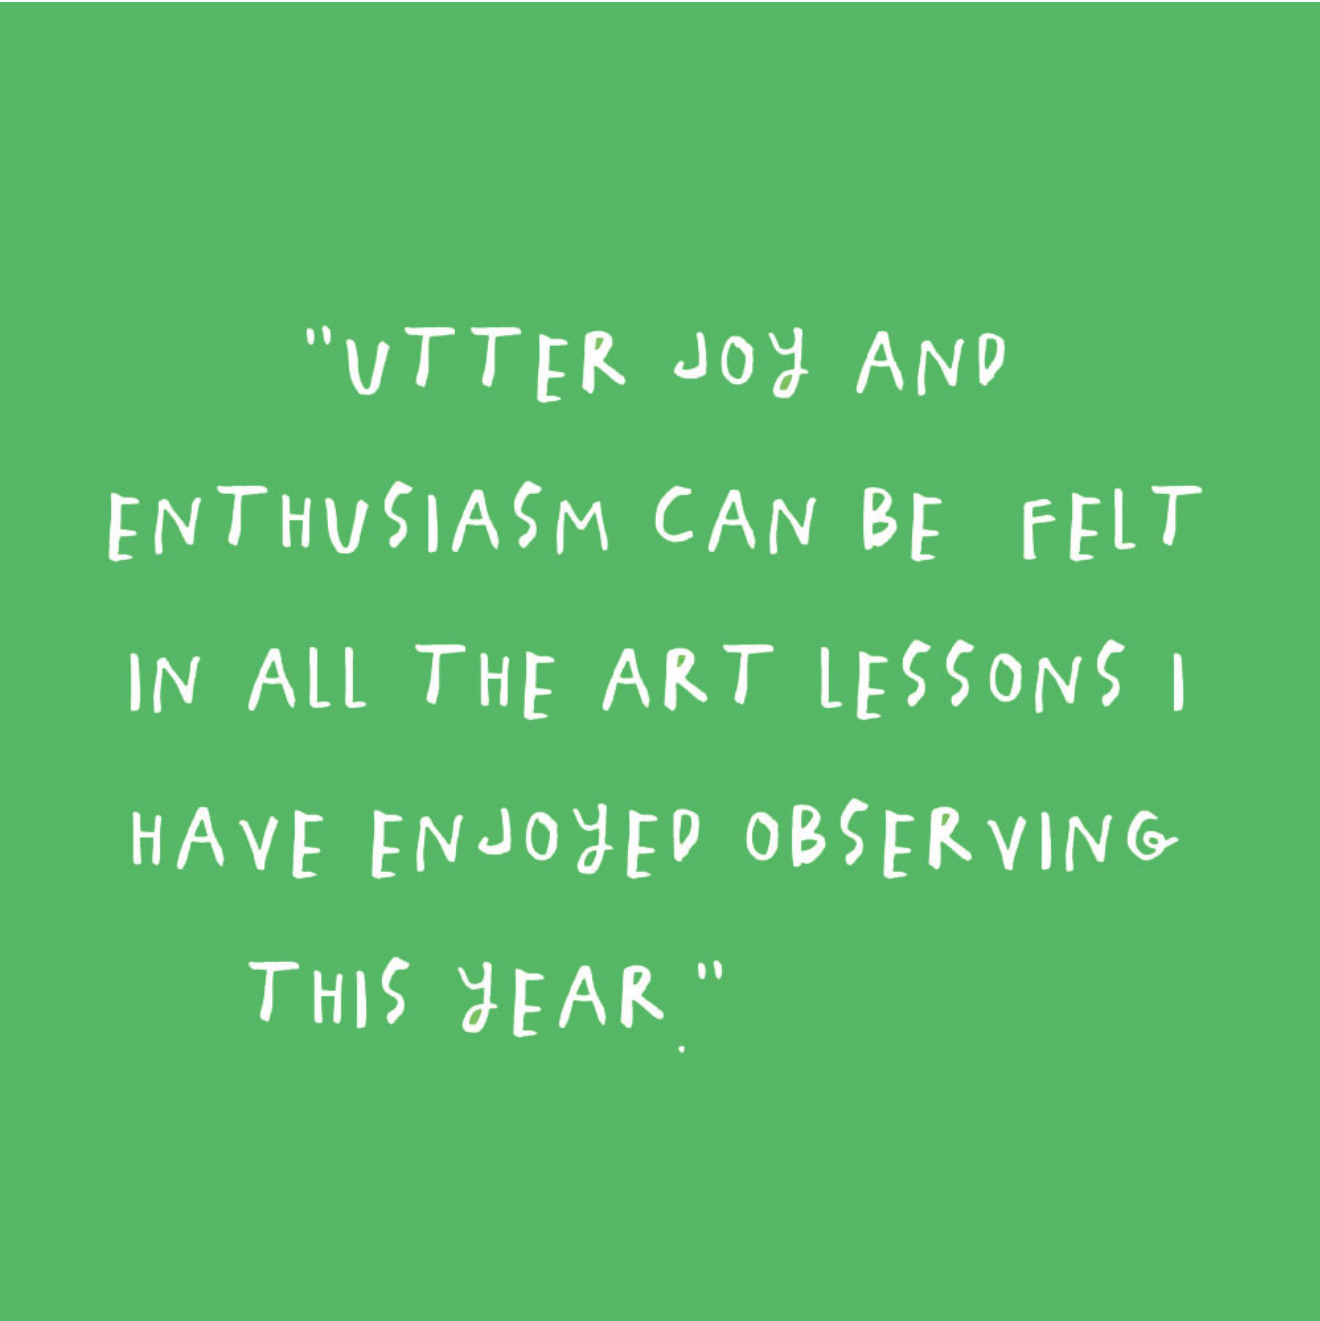

It was vital to us from the start that we create a curriculum which schools can tailor and adapt to suit their needs.

Exceptional Support

We see it as a huge privilege to be able to work

with you and your pupils, and as a small and highly specialised team, with many, many years experience, we pride ourselves on being friendly, available and responsive by email, phone or message.

Find out about the impact of the AccessArt Primary Art Curriculum

In the summer of 2023, a year on from the launch of the AccessArt Primary Art Curriculum, we conducted a survey to invite users to feedback their experiences of using the resources so far.

You can find everything you need to know about the results of the survey in this report.

Will the AccessArt Curriculum Suit our School?

When you are choosing a scheme to use in your school, it is vital that you understand the ethos and approach approach of the scheme, and that the schemes' intent matches that, or develops that, of

your school.
