

Session Recording: Be An Architect Pathway

Find a recording of a Zoom session supporting the [Be An Architect](#) in our new [Primary Art Curriculum](#).

These pathway support sessions aim to build teacher knowledge around how the AccessArt Primary Art Curriculum pathways are constructed, and how they can be adapted to suit your school.

In this session Paula Briggs and the AccessArt team take you through this pathway introducing children to the idea that architects design and make buildings. In this pathway pupils are introduced to a selection of architecture around them as well build their own architectural model.

Suitable for Art Leads, Classroom Teachers, SLT and other educators. Please note that even if you are not following this pathway, you may find the ideas and approaches relevant to other ages/pathways. The activities in this pathway can also be adapted to other ages and settings.
