

# Session Recording: Class Crit

In this 30 minute session designed to give you a practical and hands-on introduction to an exercise or approach, Paula Briggs and the AccessArt team shows you how you can incorporate class crits into art lessons for a holistic and interactive approach to tracking progression.

This recording supports the final session within each pathway in our [Primary Art Curriculum](#) as we dedicate time to appreciate what has been made, reflect and focus thoughts, and listen to feedback from others.
