

# Session Recording: Connecting Approaches

It's vital that as educators we understand the pedagogical approaches and activities which take place in settings other than our own. For instance, as a teacher of children aged 9-11, how much do you know about the approach taken in secondary school? And as a teacher of teenagers, how much do you know about their earlier education?

In this inspirational session we invited teachers of ages 7 to 11, and teachers of ages 11 to 16, to come together so that we can share AccessArt approaches for each age range. Our aim, to help inspire a continuum which better serves all.
