

# Session Recording: Drawing Figures

In this 30 minute session designed to give you a practical and hands-on introduction to an exercise or approach, Paula Briggs and the AccessArt team shows you how you can approach figurative drawing in the classroom.

This recording supports the pathway [Telling Stories through Drawing and Making](#) related to the [AccessArt Primary Art Curriculum](#). In this session you will explore a simple method for creating figurative drawings. Watch along or grab some drawing materials and join in with the exercise.
