

# Session Recording: Expressive Painting

Find a recording of a Zoom session supporting the [Expressive Painting](#) Pathway in the [AccessArt Primary Art Curriculum](#).

These pathway support sessions aim to build teacher knowledge around how the AccessArt Primary Art Curriculum pathways are constructed, and how they can be adapted to suit your school.

In this session Paula Briggs and the AccessArt team demonstrate an activity from the pathway that encourages pupils to explore colour mixing and experimental mark making to create abstract paintings.

Suitable for Art Leads, Classroom Teachers, SLT and other educators. Please note that even if you are not following this pathway, you may find the ideas and approaches relevant to other ages/pathways. The activities in this pathway can also be adapted to other ages and settings.
