

Session Recording: Managing a Creative Classroom

Creative classrooms can be busy, often chaotic places. How do we manage classrooms to ensure pupils stay safe and on-track, and teachers are happy?

In this session Paula Briggs and the AccessArt team invited guest speakers Luke Rhodes and Charlotte Puddephatt, who have been using AccessArt resources in their schools, to discuss tips and strategies to keep classrooms happy and productive. As well as accessing the recording below you will have access to the PowerPoints shared in the session.
