

Session Recording: The Primary Art Curriculum Celebration

In this session recording of the Primary Art Curriculum Celebration, the AccessArt team takes you through the main features of the scheme. We are also joined by guest speaker Sarah Mackenzie from a Primary School in Cornwall who has been using the [curriculum](#) in her school.

You may find this session useful if you want to find out how our resources could work in your setting, or even if you have been using the AccessArt Curriculum over the past year and would like to see how other teachers have used it.
