

Session Recording:
Celebrating AccessArt
Pathways: Creating School
Exhibitions & Displays

Think creatively about creating exhibitions which best capture the ethos of AccessArt's open-ended, journeyful approach. In this session we discuss the following questions...

- How can we create displays which celebrates the journey, including the use of sketchbooks, as well as the outcomes?
- How can we involve children in the creation of the displays?
- How might we encourage greater interaction with audiences by creating spaces and places to linger?
- How can we ensure all work is celebrated and that the displays celebrate individual and shared achievement?
