

Session Recording: Take a Seat

Find a recording of a zoom session where we take you through the Take a Seat pathway. This pathway gives pupils the opportunity to explore the Design Through Making approach, introduces them to the work of a crafters and designers, and demonstrates that chair design can reflect personality or a time in history. Pupils produce their own maquette of chairs, exploring a variety of materials and construction techniques.

This recording supports the Take a Seat pathway in our new Primary Art Curriculum.
