

Susan Coles

Paul is a nationally recognised art consultant having delivered specialist art CPD in schools across the UK and for the UK's leading training providers. He is a council member for the NSEAD and runs his highly successful art website: **paulcarneyarts.com** that provides high quality teaching resources and advice to teachers around the world.

He has twenty years teaching experience at Primary, Secondary and post-16 levels of education, is an Advanced Skills Teacher, ex-Subject Leader for Art and was a member of the DfE Expert Advisory Group for Art and Design. In addition to this he was a member of the NSEAD Curriculum Writing Group that wrote the art curriculum competencies, more formally called the: **Framework for Progression, Planning for Learning, Assessment, Recording and Reporting 2014.**
