

Talking Points: Treehouses

A collection of sources and imagery to explore different treehouses.

Please note that this page contains links to external websites and has videos from external websites embedded. At the time of creating, AccessArt checked all links to ensure content is appropriate for teachers to access. However external websites and videos are updated and that is beyond our control.

Please let us know if you find a 404 link, or if you feel content is no longer appropriate.

We strongly recommend as part of good teaching practice that teachers watch all videos and visit all websites before sharing with a class. On occasion there may be elements of a video you would prefer not to show to your class and it is the teacher's responsibility to ensure content is appropriate. Many thanks.

If you are having issues viewing videos it may be due to your schools firewall or your cookie selection. Please check with your IT department.

This resource is free to access and is not a part of AccessArt membership.

Treehouses

Questions to Ask Children

Which treehouse is your favourite? Why?

If you could build your own treehouse what would its purpose be? For living in? Playing?

Can you think of an invention that could be used for getting up and down into a treehouse without using a ladder or steps?

Do you prefer the big treehouses or the small treehouses? Why?

Is there an area in your local community where you'd like to build a treehouse? What materials would you use and why? What would its purpose be?
