

Video Enabled Resources: Painting

[<< Discover video enabled resources exploring other disciplines<<](#)

Paint is an exciting material that can offer endless possibilities over a range of different disciplines, for example collage, sculpture and textiles.

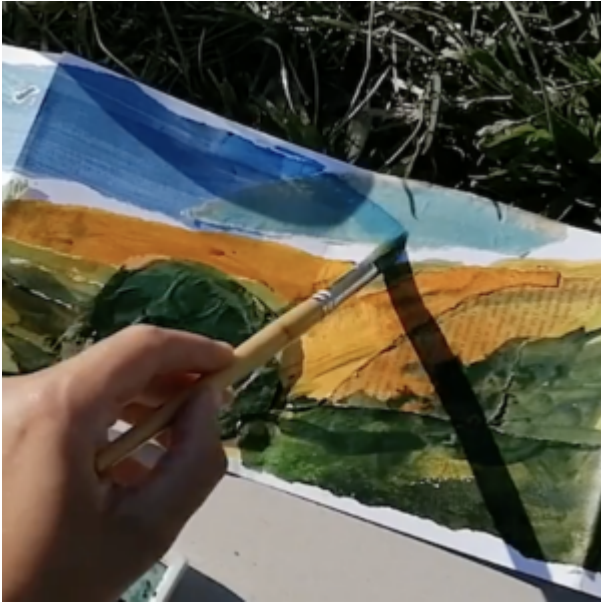

Watch the videos below to see how the quality of paint varies throughout these projects, from watercolour and acrylic, to home made inks.

Explore all painting resources on AccessArt [here](#).

Explore Painting Videos...

Concertina Landscapes

Create your own concertina sketchbook and fill it with collages, paintings and drawings inspired by your local landscape.

Home Made inks
