## Drawing, Painting and Printmaking

Creating decorative designs from birds

Andrea Butler shows how drawings can be used to develop a range of patterned papers and stitched textiles.

**Dragons and birds in eggs**

Use carbon paper to create a 'hidden and revealed' effect when imagining what might be inside a large egg!

## In the company of birds

[Printmaker Kittie Jones for sharing this insight into her working practice and inspiration.](#)

## Swoop: Migrating Birds

[Rachel Burch has used this low budget](#)

project to re-engage and energise the students' creativity.

## Birds in the trees

Collage images of birds onto mixed media backgrounds, to produce a set of lively and colourful images.

## Drawing birds with mixed media

Create drawings inspired by magazine imagery using mixed media.

**Wax Resist nests**

Draw and make working with hard and soft pencils, graphite, wax resist, watercolour, clay and sticks.

**Nests project: With Wet and dry media**

Teacher Mandy Barrett and Artist Jo Blaker journey on a project that considers the materials and structures of nests.

## Sculpture and Mixed Media

Making birds from card, paper and wire

These striking birds are easy to make and combine your drawing and making skills.

Rook: Transforming materials

Begin with a wire armature before adding beads and other objects to replicate the form of a rook.

**flying minpin birds**

Roald Dahl's incredible book The Minpins (1991) is the inspiration behind these sculptural flying birds.

## Sculptural birds in flight

In this workshop teenagers played with sculptural ideas around building form and mass, tension and scale by combining materials.

## Sculpting birds from old books

Create a small flock of birds from the pages of Paula's Drawing Projects book.

**Flock!**

Design a simple bird in felt tip and allow them to 'take flight' in a collaborative installation.

**Making bird and insects**

Create birds and insects for a school tree.

colourful sculptural birds

Inspired by the Dorset based artist, Peter Rush, create comical sculptural birds.

Making modroc sculptures

A simple modroc activity, inviting participants to make birds and pets.

## **Building a nest**

A session centred around an exploration of the materials and construction methods we might use to build inventive, sculptural nests.

## **how to make an origami bird**

[Using origami to transform old artwork.](#)
