

Zoom CPD

upcoming Zoom CPD

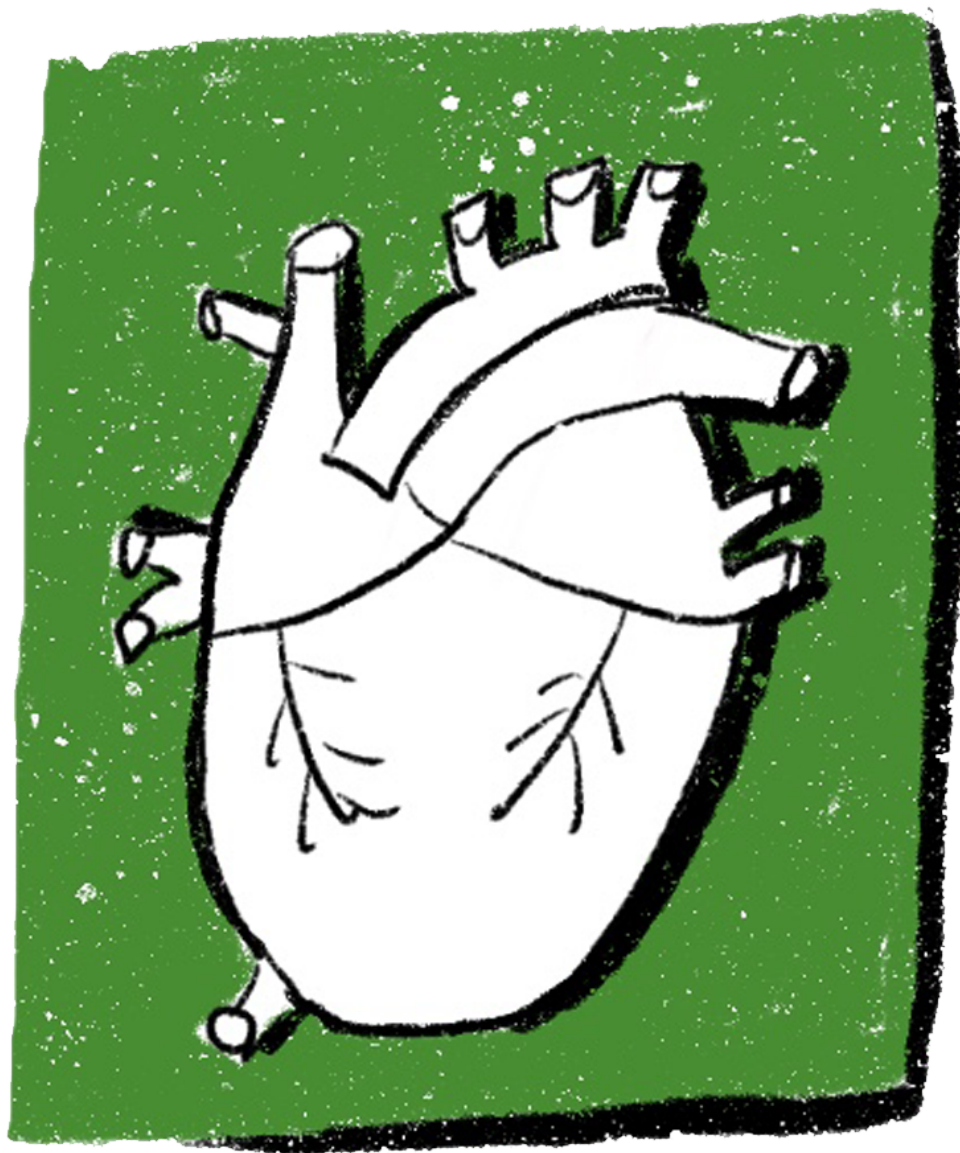

AccessArt is committed to helping educators and artists develop their passion for teaching art, and to better understand the AccessArt approach.

We do this through:

- A programme of Zoom sessions (below). The majority of our Zoom CPD sessions are offered [free of charge to AccessArt members](#), whilst our collaborative CPD is offered at a reduced price for AccessArt members.
- Our evolving [library of recorded sessions](#), available for [AccessArt members](#) to access.
- Our [in-person sessions](#) at our studio in Cambridgeshire. Our in-person sessions at the AccessArt Lab provide an opportunity for participants to help test and create content for the AccessArt website, and at the same time to inspire new ways of thinking about visual arts pedagogy.

[AccessArt and International Schools](#)

Tuesday 6th May, 1.00pm-2.00pm BST (Via Zoom)

Free for [AccessArt Members](#) and Non-Members

Aimed at: Teachers following an English Curriculum or equivalent, at schools overseas.

The AccessArt community is far-reaching, and we are thrilled to see a growing number of international schools using our resources to build and sustain an exciting art curriculum.

If you work in an international school or live outside the UK, join us at this online event to explore what AccessArt can offer the communities you represent. We'll be joined by an international school currently using AccessArt to share how they have adapted our resources to enrich their curriculum. We also hope the event will be an opportunity for you to make contact with other art educators in different countries and share experiences and inspiration.

This session is suitable for those working in all educational settings overseas, but particularly for those working in schools and as home educators.

This event is free and open to all (you do not have to be an AccessArt member).

This session will be recorded and available to AccessArt Members after the event. Attend the live session for an opportunity to win books!

[Artist Educator Spotlight](#)

Thursday 15th May, 4.00pm-5.00pm BST (Via Zoom)
Free for [AccessArt Members](#)

Aimed at: Artists, Educators working in all settings, in particular EYFS, and Primary Schools, Home, Community and Museum & Gallery Education

To celebrate our community of artist educators, we will be talking with artist and educator [Jake Spicer](#), founder of [Draw Brighton](#), and co-founder of the [Mawddach Residency](#) in North Wales. We will be hearing about Jake's exciting new project of renovating a disused Primary School close to him in Wales, and how he and his partner [Scarlett Rebecca](#) are transforming it into an art centre where they will teach classes and expand the offer of the Mawddach residency.

Artist educators form a core group in the AccessArt community and hold a unique position in being able to bring a fresh and 'disruptive' approach to classrooms and other educational settings.

This session will be recorded and available to AccessArt Members after the event. Attend the live session for an opportunity to win books!
